Upon arrival, MALCOLM observed a full parking lot and multiple groups of people outside the premises conversing. Due to the large number of people outside the premises, the officer requested additional officers to respond to the premises. A heavy police presence remained at the premises until 2:45 a.m. (See Exhibit 50)

54. On August 24, 2019, at approximately 2:00 a.m., multiple officers from Bensalem Township responded to the premises to monitor the area at closing time. Officer REHEIL observed a white male patron, who had been thrown out earlier, walking down Totem Road shoeless, screaming and yelling. It was determined that he was screaming at his girlfriend, who was by the parking lot, about her dancing with other men inside the premises. He was walking past houses and began yelling racial slurs. Officer KOLB drove to the male's location to end the disturbance and found him stumbling with an unsteady gait, slurred speech and a strong odor of alcohol emanating from him. (See Exhibit 51)

55. On August 25, 2019, at 2:23 a.m., Officers ADORNO, HILL, FLEMING and KOLB were at the premises to monitor the parking lot and avoid issues at closing time. They observed security personnel in an argument with four younger, white males in front of the main entrance of the premises. One of the males in particular was behaving in an aggressive and antagonistic manner toward the security personnel. His speech was slurred, his eyes were bloodshot, his gait was unsteady, and he had a strong odor of alcohol emanating from his person.

The males were supposed to have taken an Uber but became verbally aggressive with the driver, who left. The males were told to go to the upper parking area to wait for their ride to clear the main entrance. The males remained in the area and continued to yell and cause a disturbance. Due to the volume of complaints from the residents in the area of the premises, Officer KOLB attempted to arrest the most aggressive male subject and, after heavy resistance, was able to place him under arrest to calm the situation. (See Exhibit 52)

56. On September 1, 2019, at approximately 2:00 a.m., multiple officers from Bensalem Township responded to the premises for an incident involving ten to fifteen people. Security personnel stated that one of the subjects was asked to leave at around 1:00 a.m. for being disorderly. 57. On September 15, 2019, at approximately 1:26 a.m., multiple officers from Bensalem Township responded to a burglary in progress at 1057 Totem Road, Apartment A-3, located at the edge of the premises' parking lot. The complainant stated that his brother notified him that an unknown male had entered their apartment and gone to the third floor. The brothers confronted the male who was stripping off his clothes. The complainant attempted to pin the unknown male down and his brother hit the male with a fluorescent light bulb. The unknown male, now completely naked, began demanding oral sex from the complainant's brother and also punched him a few times. The

brother believes that the unknown male walked into their apartment from the premises. Officers noted that the male seemed to be intoxicated. The male subject stated to Officer WOLFINGER that he called for a "group Lyft" from his place of employment earlier on September 14 and began talking to the two female passengers in the vehicle with him. They were dropped off at the premises and the male subject decided to go into the premises with them and proceeded to consume approximately seven shots of alcohol. (See Exhibit 55)

Liquor Code Violations

58. On April 25, 2016, Liquor Enforcement Officer ("LEO") FINNEY reviewed the file for the premises and examined the Conditional Licensing Agreement ("CLA") between the premises and the Board. 62. The conduct in Paragraphs 58 through 61 resulted in the issuance of a Citation against the premises. Citation No. 16-1002 was issued on July 25, 2016 and charged the premises with violating Section 404 of the Liquor Code, 47 P.S. § 4-404, on April 26, May 12, May 14 and May 26, 2016 by failing to adhere to the conditions of the agreement entered into with the Board placing additional restrictions upon the premises' license. An adjudication was issued by the Office of Administrative Law Judge ("OALJ") on July 29, 2019 finding the premises in violation on April 26, May 12 and May 26, 2016 and imposing a fine of \$350.00. (See Exhibits 57 and 58)
